

PRIVACY POLICY

PRIVACY POLICY

I. Introduction

The Company gathers and uses only the information essential to respond to your apprehensions and perform examinations. In most occurrences, the Company gathers personal information, such as name, address, telephone number, or email address. In some cases, contingent on the nature of your appeal or of our investigations, we correspondingly may collect other personal information, including, but not limited to, Social Security numbers, account numbers, or mortgage or health information. BWorld likewise may gather information about your appointment to our websites for safety and core process purposes.

II. Disclosure

The Company might consider releasing personal information to our associated businesses and to other financial institutes in which we have cooperative marketing arrangements or that provide financial services on the Company's behalf. BWorld shall only provide this information to the Company's affiliates, and once the Company does, it is much for the improvement of the Company's services to the clients. These data will be sent to the Company's official entities, including brokers and other financial institution that may perform legal matters. Clients' data will for sure be held confidential in nature; the Company also forbids affiliates and others from expending or releasing Clients' information. The Company does not market your private information to third-party dealers or any other body for any intention.

III. Safety

BWorld procures all judicious periods to shelter our Client's confidential information from mismanagement, harm, illegal admittance, intrusion, alteration or leakage. As per BWorld's Terms and Conditions, the Company does not keep any record of those clients' data which are no longer valid for use.

IV. Cookies

Cookies are minor files holding information that a web site uses to follow its guests. The Company may put and retrieve BWorld cookies on the Client's computer, allowing the Company to acquire which commercials and campaigns carry users to BWorld's website.

The Company may use cookies in connection with BWorld's platforms and services to detect the Client's activities on the Company's websites. Such information that the Company gathers and allocate would be unidentified and not individually traceable.

V. Client's Rights

The Client may acquire his/her personal own information which the Company holds. Upon acquiring any personal information, the Client must send a request via email, validating his/her own identity, and identifying his/her specific information needed; whereas the Company may process the Client's request within 1 to 5 business days.

The image features a central horizontal band with a blurred background of two hands shaking. The background is composed of large, overlapping geometric shapes in shades of teal and dark grey. The logo is centered in the middle of the band.
